### Recognising Educational Institutions

University of Cambridge ESOL Examinations (Cambridge ESOL) develops and produces the Cambridge English exams, the most valuable range of English language qualifications in the world. Each year they are taken by more than 3 million people in over 130 countries.

Cambridge English certificates are trusted and recognised by over 12,000 organisations globally. Below is a list of the universities and colleges in the USA that recognise Cambridge English exams.

To find out how recognising Cambridge English exams can benefit your organisation, visit: [www.CambridgeESOL.org/recognition](http://www.CambridgeESOL.org/recognition)

Language requirements may vary for different courses and levels of study, so students should contact the college or university directly to discuss the examinations and grades required for their particular course of study.
